Dear Friends in Christ,

**Edwards Key points -**

- Pilate just one more year to reign in Judea
- 12 brought for arrest
- Gamaliel (Paul's teacher) suggests a "wait and see" attitude for this new sect.

**My Thoughts-**

- Ananias & Sapphira lie about holding back some of the proceeds of property sale and are struck down dead.
- The Church continues to grow in Jerusalem.
- The high priest becomes jealous of the new sect attracting people, arrests the leaders, angels do jail break.
- Church leadership wants to kill new sect leaders but one of the wise ones

tells them if it is of God it will last - if it does not come from God ... it will fade. They whip them and let them go.

- **They rejoice to be able to suffer for the name of Jesus.** (v 3:41)
- They continued to teach regardless. (rerun from yesterday's reflection.)

*How are you living in the Christian community in the time of the COVID pandemic?*

In Christ,
